Pre-Event and Post-Event Opportunities

Leicester Ecommerce Bites & Insights

Anicca Digital, Absolute Design and Loncom Consulting host our monthly Ecomm lunches, at Veenos restaurant Leicester. This event draws around 20-30 retailers and ecommerce brands each month, fostering networking opportunities among the guests, where they have an opportunity to learn about local ecommerce brands and recent tech innovations.

Currently, Shoptine are our sponsor of these lunches, but you are welcome to join us if you want to get involved in the conference or other partnership activities.

Exclusive round tables & VIP director dinners

Anicca Digital and Absolute Design are hosting monthly, invite-only dinners for industry professionals at the Michelin-starred Hambleton Hall. Enjoy great food and conversation with spectacular views over Rutland Water.

These informal afternoon events invite up to 12 of our current and potential clients from one ecommerce sector, so we can discuss the technical challenges and opportunities that they jointly face, over some incredible food.

Tech companies can join us at the table, by sponsoring one or a series of dinners. The price to sponsor each dinner is £2,500+VAT.

Webinar Follow-Up

All sponsors will have an opportunity to participate in a post-event webinar, amplifying exposure to an audience of 100-300 registrants. There is no additional charge for this, but we only have one guest speaker slot per month, so places are limited and priority will be given to Elite, Platinum and Gold sponsors.

Partner with Us.

We believe in delivering value for our sponsors and are happy to discuss customisation options.

Your partnership will not only enhance the event experience for attendees but also position your brand at the forefront of eCommerce innovation.
